## NOTE GENERALI • GENERAL INFORMATION • INFORMACIONES GENERALES

I nostri accessori bagno sono realizzati in Italia interamente a mano da esperti artigiani del settore. A differenza di molti altri accessori disponibili ad oggi sul mercato, i nostri sono realizzati in ottone pesante, formati dall'unione di componenti fusi in stampi che rispettano i sistemi artigianali di un tempo, e protetti con uno spesso strato di finitura che spazia dal cromo fino al bronzo. Siamo fieri di poter proporre sul mercato prodotti unici dalle forme e dal design esclusivo Sbordoni. Finiture speciali disponibili su richiesta. (Vedi tabella finiture).

**NOVITA'** Su richiesta le nostre serie Déco, Calla, Calla Metallo sono disponibili con speciale sistema di incollaggio a muro brevettato "Nie wieder bohren". Con questo sistema non si dovranno forare i rivestimenti per installare gli accessori. Basta ordinare lo specifico kit, uno per ogni attacco a muro (art SBNVB). La tenuta garantita per attacco è di kg 10.

*Our beautiful bathroom accessories are wholly manufactured in Italy by very skilled craftsmen. Unlike many other products in the market, ours are made in solid brass, cast in the time-honoured way and protected by a choice of a deep coat of sparkling finishes from chrome to bronze. We are proud to offer unique products made to our exclusive Sbordoni design. Special finishes are available on demand (see finishes chart).*

*NEWS Upon request our Deco, Calla, Metallic Calla ranges can be purchased with the special patented adhesive system 'Nie wieder bohren'. No drilling will be required and the guaranteed holding power per adapter is 10kg. Remember to add the specific fixing kit (art SBNVB) one for every wall fixing.*

Nuestros accesorios son realizados íntegramente a mano por expertos artesanos en Italia. A diferencia de muchos otros productos, que se pueden encontrar en el mercado, nuestros accesorios son hechos con componentes en latón pesado, fundidos en moldes que respetan los sistemas productivos artesanales de hace muchos años. Están protegidos con una gruesa capa de diferentes tipos de acabado, desde el cromo hasta el bronce. Estamos orgullosos de poder ofrecer productos únicos conformes a nuestro diseño exclusivo Sbordoni. Acabados especiales están disponibles sobre demanda. (vea tabla interior => acabados)

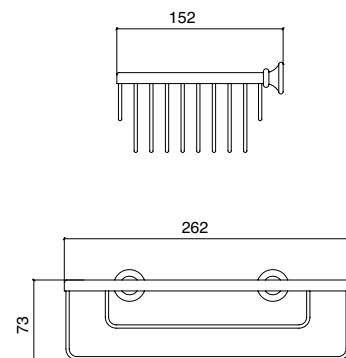

**Novedad!** Por demanda nuestras series Déco, Calla, Calla Metal están disponibles con el sistema de fijación sin taladro „nie wieder bohren“. Con este sistema ya no es necesario taladrar para instalar los accesorios de muro. Se debe pedir el kit de fijación sin taladro (art SBNVB), un kit para cada punto de fijación al muro. La fuerza de resistencia permanente es de 10 kg por cada punto de fijación.
